

# Join us and Let's Make it Possible

Join Palladium's initiative, *Let's Make it Possible* to contribute and help create an enriched future for all.

At Palladium, we believe that we live in a world where anything is possible, where the smallest ideas can achieve the greatest impact.

**Let's Make it Possible** is seeking to work with external partners to attract additional funding and technical expertise. By working with other like-minded organisations operating in Palladium's sectors of expertise, LMIP will be able to deliver positive impact solutions at a greater scale.

Partnering with Let's Make it Possible means:

- Helping communities fund initiatives they have identified themselves
- Building the fund to respond to more ideas to create greater impact
- Utilising Palladium's global footprint and expertise in International Development and positive impact
- Choosing from a range of sectors to invest in including
  - Education and TVET
  - Health
  - Economic development
  - Environment
  - Governance
